### Ground Transportation

Taxi: Rates vary

Ride Share (Uber/Lyft): From DFW - Approximately \$50 one way | From Love Field – Approximately \$80 one way

Car rentals: Most major car rental companies available at both airports

TexRail: Train from DFW to hotel – approximately 1 hour. One way ticket \$2.50

## THINGS TO DO

The city of cowboys and culture, Fort Worth offers a variety of activities for the entire family. Visitors can experience the [twice-daily cattle drive](#) in the [Fort Worth Stockyards](#), shop and dine in [Sundance Square](#), visit stunning museums in the [Cultural District](#), and much more. Learn more and plan your visit to Fort Worth [here](#).

## WEATHER

Summers in Fort Worth are hot and muggy. Average temperatures for late June range from lows in the mid-70s and highs in the mid-90s.

**What to wear:** The dress code for meetings is casual. As indoor environments tend to be cool, dress in layers or bring a sweater, jacket or shawl and wear comfortable shoes. Attire for the Friday night event is casual/western casual.

**\*Please note:** the event Friday is at the Stockyards Station. The walkway to the room and the party space both have original brick flooring which is uneven. Comfortable flat shoes/boots are recommended.

## SCHEDULE OF ACTIVITIES

\*Events marked with asterisks indicate attendance is limited to invited guests only.

Schedule subject to change prior to meeting.

How to Use AI to Improve Your Business Performance

Artificial intelligence (AI) is transforming the business world. Machine learning (ML), robotic process automation (RPA) and natural language processing (NLP) are changing the way businesses operate or even redefine the business. The speaker will discuss the evolving world of AI and how one can leverage AI to boost their operational performance. Topics covered will include: The different types of AI technologies; how AI can be used to improve business performance; and the challenges and opportunities of AI in business.
