

## Volunteer Spotlight- Kathy Ploch, CPA

A huge thank you to Kathy Ploch, CPA, who has volunteered her time to help parent groups for the past ten years. Kathy is a CPA with the firm of Durio & Company. Kathy volunteers every October to help parent groups file the 990-N postcard, 990-EZ, 990, and sales tax reports.

Kathy loves talking with the parent group Treasurers and officers. Her greatest joy is calming the nerves of officers in filing paperwork with the IRS. Kathy has worked with several of the parent groups and know their children and grandchildren. She enjoys hearing the success of the parents and children she has known over the years.
