

Chance

Volunteer Responsibilities:

- It is your responsibility to have all participants spin the Chance Wheel.
- Each participant will spin the Chance Wheel to reveal a chance outcome, either a favorable bonus of money or an unexpected expense.
- Ensure the participant writes in **“Chance (specify type)”** on the bank ledger for the chance outcome and assist in calculating the addition or deduction from the checking account when needed.
- Initial the participant’s card to indicate that the participant visited your booth.
