

Child Care

Volunteer Responsibilities:

- Review the participant's family status and salary to determine if there is an opportunity for a stay at home parent.
 - Family status will show "M" for married, but a 2nd salary will be \$-0-
- Review the participant's family status line for kids and ages to help determine child care needs.

S+K1	Single, 1 kid
S+K2	Single, 2 kids
M+K1	Married, 1 kid
M+K2	Married, 2 kids

- Take note of the age(s) notated in parenthesis on the family status line, if applicable.
 - Kids 4 years and younger can go to daycare or have a nanny.
 - Kids 5 years old will only need afterschool care.
- Ensure the participant writes in **"Child Care for (specify type)"** on the bank ledger and assist in calculating the deductions from the checking account when needed. Write **"Child Care N/A"** on the participant card if participant chooses to use a stay at home parent.
- Initial the participant's card to indicate that the participant visited the booth.
