

## Doctor

### Volunteer Responsibilities:

- It is your responsibility to collect doctor fees from **all** participants.
- Review the participant card/ledger to determine whether the participant has purchased insurance and which type(s). Subject to pricing below.
  - **Participant may not leave to buy insurance and come back if not already obtained. A life lesson in costs of healthcare related coverage.**
  - If the insurance booth was visited first, the participant was required to purchase health (medical) insurance as per federal law. Optional insurance at the participant’s choice was dental, vision, and life insurance.
  - Reference the medical code on the participant card to the chart below.
- Ensure the participant writes in **“Doctor (specify expense type)”** on the bank ledger and assist in calculating the deduction from the checking account when needed.
- Initial the participant’s card to indicate that the participant visited your booth.
