Utilities

Volunteer Responsibilities:

- Make sure the participant has visited the housing booth before determining utility costs.
- Review the participant's housing choice and use the amounts in the appropriate box below for the base expense.
- Have participant roll a **big green** die for House and a **small yellow** die for Apartment to represent efficiency (length of showers, turning lights on/off, reduction/increase in AC/Heater usage, etc.) and make the appropriate adjustment (noted on each of the dice) for the additional expenses or savings to the total monthly cost provided below.
- Ensure participant writes in "**Utilities (specify type)**" on the bank ledger and assist in calculating the deduction from the checking account when needed.
- Initial the participant's card to indicate that the participant visited the booth.
