

# Support TXCPA Fort Worth Scholarships

*Make a Difference with Your Contribution*

Join us in supporting future accounting professionals through scholarship contributions. Your tax-deductible donation helps students achieve their educational goals and strengthens the accounting community in Fort Worth. In 2025, Fort Worth raised enough money to provide 15 scholarships to students. We are on track for that this year too. Donations of \$5,000 or greater by October 31, 2026 are entitled to have naming rights for one scholarship to be awarded in 2026 (Ex: TXCPA Fort Worth Fra Luca Pacioli Scholarship).
