As we close the books on Convergence 2025, we want to extend our heartfelt thanks to everyone who helped make this year's annual conference a remarkable experience.

We are grateful to all our attendees for their enthusiastic participation and engagement throughout the event. Whether you attended a session or led a session, your presence and contributions made all the difference.

A sincere thank you to our speakers. Your knowledge and perspectives helped shape new ideas and practical takeaways. Your contributions added real value to the experience and reminded us of the importance behind the work we do.

We also couldn't have done it without our generous sponsors, whose support helped bring Convergence 2025 to life. Your investment in education and the accounting profession is truly appreciated.

As we look ahead, we're already excited about, and planning for, Convergence 2026, and we look forward to gathering again, continuing the conversation and building on the momentum we've created together.

Until then, thank you again for being part of Convergence 2025. It was a pleasure to have you join us.

THANK YOU TO OUR SPONSORS
