This year we will be sponsoring the School Tools Program, held by the Southeast Texas Food Bank in Beaumont, TX. School Tools is one of 43 Resource Centers in the United States that provides school supplies for students who are economically disadvantaged. The school's population must be 70% or higher of students receiving free or reduced lunch. Their service areas are Jasper, Jefferson, Hardin, Newton, Polk, Sabine, Tyler and Orange. They serve around 1400 teachers during the course of a school year. The free store allows teachers at those schools to access the supplies six times per year. The teacher must be approved by the Principal of the respective school, and they can select any three months from September to December. And, then again, any three months from January to May. The teachers distribute the supplies to the children whose families cannot provide them.

In-lieu of collecting supplies, see the QR code below and select "School Supply Drive Donation" from the Fund drop-down menu to make a monetary donation by July 17th. The monetary donations received will be used by the committee to purchase supplies to be delivered to the School Tools Program. You can also [CLICK HERE](#) to donate online.
