**Fingerprinting**

The Board has a statutory obligation (**Section 901.253**) to review the background of each person permitted to take the CPA Exam and awarded a Texas CPA certificate.

Who is required to submit fingerprints?

- A person who submits an Application of Intent
- A person who submits an Application of Intent to Transfer CPA Exam Credits to Texas
- A person who submits an Application for Issuance of the CPA Certificate and who has not previously submitted fingerprints to the Board
- A person who submits a reciprocal application

Applications cannot be finally approved by the Board until the fingerprint process is complete and the Board has received the results. **Fingerprint should not be completed prior to submitting the application.**

Information about the fingerprinting process will be included in the communication confirming receipt of your Application of Intent.
